

Dear Parent/Carer,

The INVOLGIZE project is a new, exciting opportunity that gives young people in Enfield a chance to learn how to read a book in under an hour from a lawyer with over 10 years of legal experience.

INVOLGIZE Limited is a local organisation that equips young people with the tools to think smarter and accelerated their learning and personal development. It supports their emotional wellbeing, openness, confidence, communication skills, language skills, and general prospects.

INVOLGIZE is facilitated by Tommy Offe-Amoyaw, a legal professional, who grew up in Tottenham in a single parent family, and has read over 600 books in the last 10 years.

This project aims to inspire young people to deepen their engagement with their education and their connection with their peers and wider society. It will start in October 2022 and will run for a period of six weeks.

Please tick the boxes below to give consent for your young person to participate in these workshops and for the facilitators to take pictures and videos of your young person for promotional purposes.

Yours sincerely,
